CONNECTICUT LAKES TIMBER COMPANY, LLC

LICENSEE FIREWOOD PERMIT POLICY

1. All Connecticut Lakes Timber Company, LLC Licensees must have a permit to cut firewood on Connecticut Lakes Timber Company, LLC lands.
2. **No wood is to be removed from active log landings or harvesting operations.** Active is defined as having equipment on site (whether operators are there or not) and/or logs or pulpwood is stacked for hauling.
3. The maximum number of cords that may be removed under a permit will be three (3). Only one permit will be issued per Licensee. Wood is for personal use only, not for sale or resale to others.
4. Firewood must be cut only from logging residues and dead and down trees.
5. A permit must be in possession and presented upon request from Connecticut Lakes Timber Company, LLC personnel or any enforcement entity.
6. The Licensee must agree to the indemnification and liability clause set forth in the permit.
7. Connecticut Lakes Timber Company, LLC timberlands will be patrolled for compliance with this policy.
8. No loading equipment (skidders, tractors, skip jacks, etc.) is permitted.
9. No tops or slash shall be left in roads or ditches.
10. No firewood shall be cut by anyone other than the permit holder unless approved by a Connecticut Lakes Timber Company, LLC representative
